# Roadmap

**Q1**

- Idea Generation
- Market Research

**Q2**

- Website Design
- Data Gathering

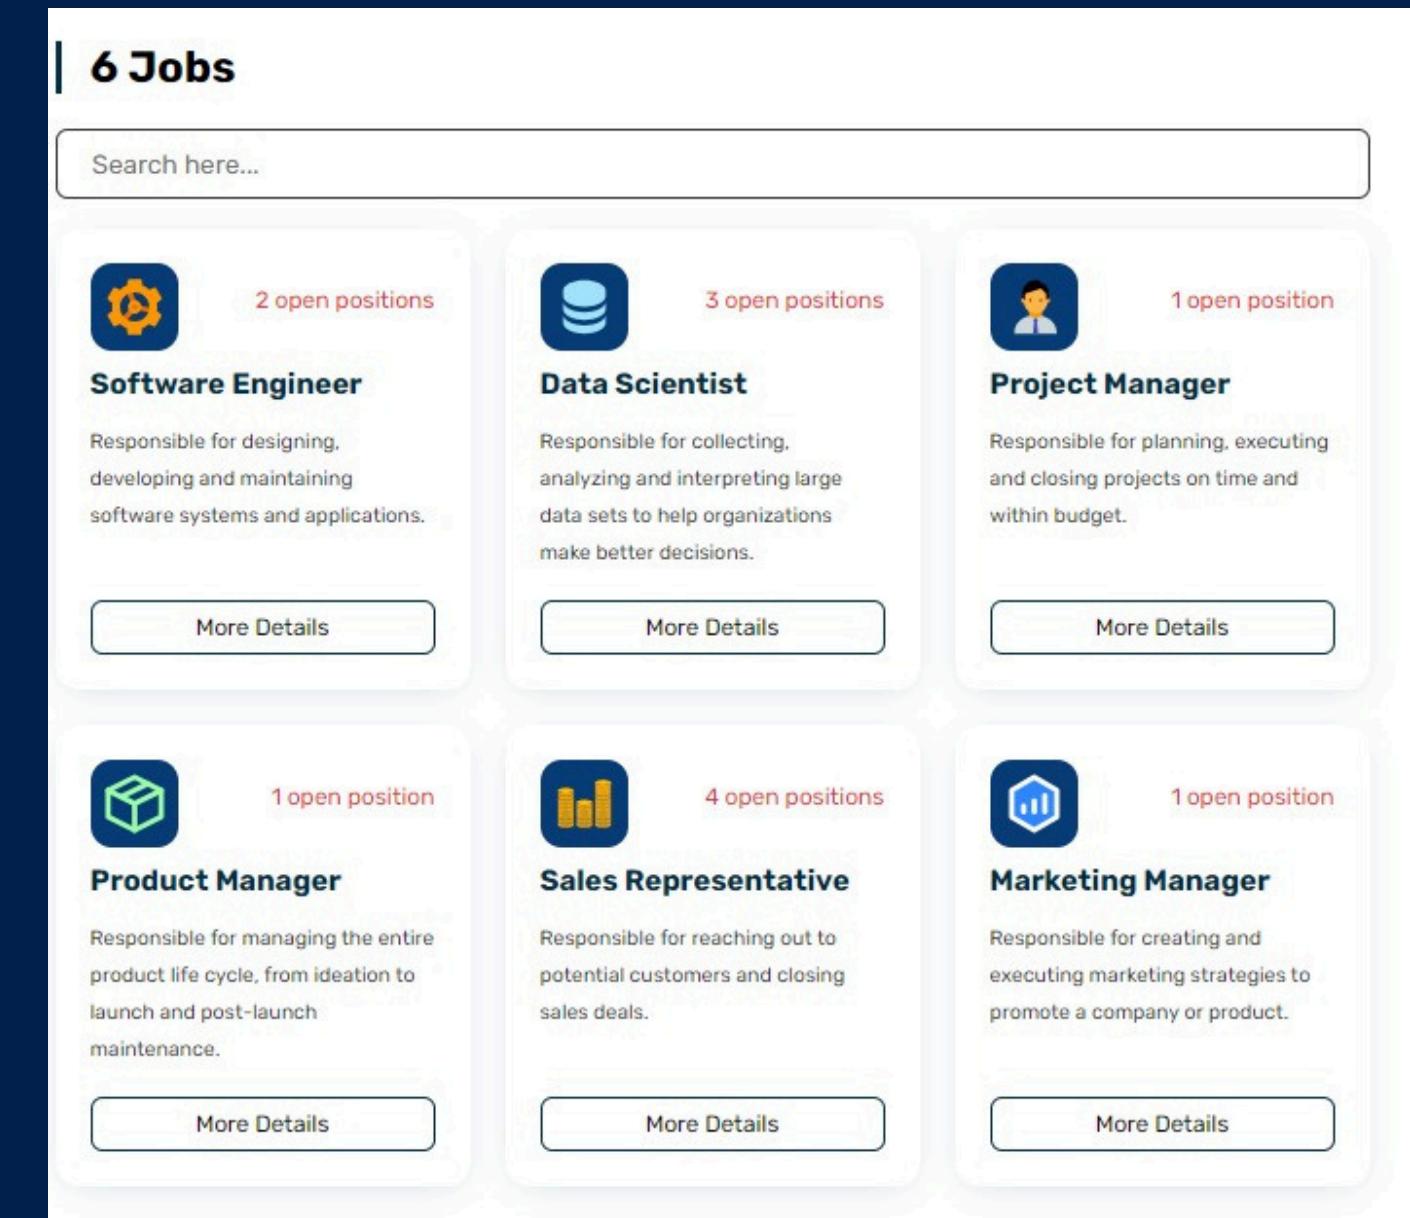

**Q3**

- Full Website
- Integration of Resume Builder with Website

# Current Progress

The image shows a screenshot of a job search website. At the top, there is a navigation bar with links for Home, Find, Queries, About, Contact, Register, and Log In. The main heading on the page is "Find The Most exciting Startup Jobs". Below this, there is a search bar with the placeholder "Job Title or Keyword" and a red "Find Job" button. To the right of the search bar is a large photograph of a smiling man in a suit, gesturing with his hands.

The image shows a grid of six job listings under the heading "6 Jobs". Each listing includes a job title, the number of open positions, a brief description, and a "More Details" button.

Job Title	Open Positions	Description	Action
Software Engineer	2 open positions	Responsible for designing, developing and maintaining software systems and applications.	<a href="#">More Details</a>
Data Scientist	3 open positions	Responsible for collecting, analyzing and interpreting large data sets to help organizations make better decisions.	<a href="#">More Details</a>
Project Manager	1 open position	Responsible for planning, executing and closing projects on time and within budget.	<a href="#">More Details</a>
Product Manager	1 open position	Responsible for managing the entire product life cycle, from ideation to launch and post-launch maintenance.	<a href="#">More Details</a>
Sales Representative	4 open positions	Responsible for reaching out to potential customers and closing sales deals.	<a href="#">More Details</a>
Marketing Manager	1 open position	Responsible for creating and executing marketing strategies to promote a company or product.	<a href="#">More Details</a>

## Frontend Developer
